Stakeholder Placement Rationale

- **Product Owner / Project Manager / Business Analyst**
  High decision-making authority and direct involvement in delivery - ***Manage Closely***
- **CEO / CFO / CTO / CLO**
  Strategic decision-makers with high authority but low day-to-day involvement - ***Keep Satisfied***
- **Legal / Compliance / Audit / Procurement**
  Responsible for regulatory compliance, risk control, and vendor governance - ***Keep Satisfied***
- **HR & Finance Operational Staff (HR Specialist, Recruiter, Payroll, Accountant)**
  Active system users with high interest but limited decision power - ***Keep Informed***
- **Support Roles (Administrative Staff, Interns, External parties)**
  Low influence and limited involvement - ***Monitor***
